Step inside this classic LINWOOD CEDAR HOME! This 3-bedroom, 4-bathroom property features a double 20 x 20 detached garage with power on a large pie-shaped lot. Double-insulated walls with a durable metal roof make this home affordable and easy to care for. This home showcases vaulted ceilings, solid oak kitchen cabinetry, natural gas stove with a grill and air fryer, dishwasher, and refrigerator. Dining room opens onto a sunlit deck, while the living room features an inviting floor to ceiling gas fireplace with large windows allowing in natural light. The main floor offers versatility with a home office or bedroom, a convenient half bath, and a laundry area, with a sunroom off the front entrance! The upper level has a master suite showcasing a balcony with a view, dual closets, and a 2 piece en-suite bathroom. Another bedroom and bath complement the upper level, with ample storage areas throughout. The lower level is a partial finished basement, with a flexible great room complete with a bathroom featuring a shower, an extra cold storage room and workshop, with lots of additional storage. Key amenities include a utility room and a central vacuum system. Two sheds, and raised garden beds are located in the fully fenced backyard with a gate to laneway, and a playground across the street. This distinctive residence eagerly awaits your personal style.
