Stunning 1820 sq ft bungalow on 3 acres, surrounded by mature trees in the serene neighbourhood of Mystic Ridge, just 10 minutes from town. Step inside to be welcomed by the breathtaking open-concept living, dining, and kitchen area. The living room features coffered ceilings and opens to a fully screened-in deck with a wood-burning fireplace, offering the perfect spot to relax while taking in the breathtaking forest views, all year long. The deck is constructed with durable Trex decking, ensuring low maintenance and lasting quality. The kitchen is a dream, with ceiling-height cabinetry, a large island complete with a wine chiller and prep sink, quartz countertops, and a custom-built solid walnut dining table. It also includes a double oven with a natural gas stovetop accented by a striking stone hearth, a built-in microwave, and more. The main level includes a spacious 3-piece bathroom with a glass shower, a bright guest bedroom, and the luxurious master suite. The master features in-suite laundry, an expansive walk-in closet, and a 5-piece ensuite boasting double vanities, a glass-and-tile shower, a clawfoot tub, and a private water closet. Downstairs, a beautifully lit maple hardwood staircase leads to the lower level, where you'll find a THEATRE ROOM, wet bar, two additional bedrooms, an office or storage space, and another 3-piece bathroom. The home also features an oversized triple-car garage, thoughtfully designed with epoxy flooring, in-floor heating, humidity control, three drains, and a convenient sink ; connected to a functional mudroom with built-in storage. This home is truly a rare gem you won't want to miss—offering unparalleled privacy, luxury, and space.
