For more information, please click Brochure button. This Mountview bungalow is close to two schools (Crystal Park & St Clements), and is within walking distance to Safeway and the Prairie Mall. Being in an older neighbourhood it's on a large lot with several mature trees. This corner lot has two sheds (also currently has a tent garage which can be removed if preferred). There's ample room for a garage to be built, for RV parking, or even an ADU (accessory dwelling unit) upon jurisdiction approval. The main floor has two bedrooms, as the third bedroom was converted to a den (but it can easily be converted back). There's a full bathroom and an ensuite half bath off the master bedroom. The basement is 90% finished. It has one bedroom (with an egress window), a full bathroom with heated floor, a family room with a pellet wood stove, a storage room, and a laundry room/workshop. New windows and kitchen were installed in 2012, shingles in 2010, furnace in 2004, and the hot water heater has about 5 years of use. Weeping tile was done around half of house in 2020, and a sump pump was installed.
