A rare site these days, a family home in Beaverlodge for sale. This '96 built bi-level has enough room for the family, yet is small enough that it is affordable. Fully developed home with attached garage on a quiet street with no rear neighbors. Main level is bright and airy with a good sized kitchen, dining area and living room. 2 bedrooms, including the master plus a bathroom complete the main level. Basement has a large family room with a wood stove, another bedroom, a beautiful 3 piece bathroom and a laundry/utility room. The attached garage is 22' x 22' and is insulated. There is a large deck out back, a well landscaped yard, a large garden shed, and material will be left behind to finish the back fence. Book your viewing soon.
