Tucked in O'Brien Lake subdivision this spacious modified bi-level offers ideal setup for extended families or savvy investors, featuring a non-conforming basement suite with its own entrance and single garage. The main floor boasts 3 bedrooms and 2 full bathrooms, including a generous primary bedroom with ensuite and walk-in closet. The open concept living area is filled with natural light, with a large kitchen plus pantry and dining space complete with deck access perfect for gatherings. The living room boasts a gas fireplace and large window with backyard views. Downstairs, the suite includes 2 bedrooms, 1 bathroom, a cozy living area with fireplace, and a functional kitchen - perfect for additional income or private guest accommodations. The large backyard is fully fenced and landscaped. With separate garages for each level and a thoughtfully designed layout, this property offers flexibility, comfort, and excellent potential.
